Joey,

+ Scott, Scott

I spoke with the Herc team today, they seem to be able to fulfill our request for 2x temp structures, not clamshells but large tents with walls.

They said that they have a cooling solution better than the swamp coolers I mentioned and I told them that we would consider all options and make a decision that meets the intent while staying within a reasonable budget.

They are sending a guy out to do an on-site assessment next Tuesday 9/29.

I also told them that we would probably want this thing set up the week of October 5 -9 as October 12<sup>th</sup> is the day that we receive the second wave of temp hires.

That would also keep this rental contract at about a month if we wanted to minimize the rental contract and free up parking.

Thanks Joey for getting this going.

Hi Michael,

Simon sent your response to him regarding the clamshell tent with cooling options that our office is looking for. I know our department worked with you and HERC a few months ago on some equipment for a parking lot we were using and you were able to set us up with account # 3008966-HG.

In short, we are looking for a clamshell style tent which would be 34 ft. x 34 ft. There is talk of a secondary tent with dimensions of 20 ft. x 40 ft. as well. We were also thinking of some type of swamp cooler to keep these tents cool.

I have copied Gary Bonkowski, our Assistant Director of Logistics and Warehouse Management, as he would be the expert on what exactly is needed and what will fit the needs of the department in this process.

If there are any billing or payment questions, Kayla and I will be able to assist with that.

Thanks,

Joey Rodenback

Good morning Simon,

I was referred to you by Traci Dobberstein of Herc Rentals and Rob Fiorilli of OMNIA Partners.

I am your local Arizona point of contact with Herc Rentals and wanted to provide some information about the temporary structures we can support Maricopa County with along with power and cooling equipment.

I have a few additional questions to best help you with a solution. Are you available this morning for a brief call?
